Hot water bathing at an affordable cost

Hot water bathing at an affordable cost

- Solarizer Value meets your hot water needs, saving you money every day
- Emmvee's quality design and manufacture mean low maintenance costs over the system's lifetime

Quality tank and collector

- High quality stainless steel tank with PUF insulation keeps your water hotter for longer
- Emmvee's all new **full-plate absorber with highly selective German coating through sputtering technology** provides more area to absorb sunlight and emits almost no radiation, meaning faster water heating
- High transmission solar glass gives better performance, even in cloudy weather and its tough properties avoid the inconvenience of breakages

Trusted brand

- As the largest manufacturer of solar water heaters in India with over 20 years of industry leadership, Emmvee is the brand you can trust today and tomorrow
- With on-site assessment, installation and after-sales service from **Emmvee's trained and authorised dealers**, you can rely on us to be there when you need us the most

Performance warranty

- Emmvee's 5 year performance warranty gives you the reassurance of long-term reliability
